## MESSAGE FROM THE DIRECTOR

It is with immense joy and pride that I write to you to the inaugural edition of our school newsletter. As we open the doors of St. Mary's International School, Anand Nagar, for the very first time, we embark on a journey filled with promise, purpose, and passion for excellence in education.

This marks not just the beginning of a school year, but the birth of a vision — a vision to nurture young minds, foster curiosity, and build a community rooted in values, learning, and global perspectives. At St. Mary's, we are committed to creating an environment where every child feels valued, empowered, and inspired to reach their full potential.

The journey ahead will be full of milestones, challenges, and achievements, and this newsletter will serve as a window into our growth, initiatives, and celebrations. I thank our dedicated staff, supportive parents, and enthusiastic students for joining us in laying the foundation of something truly special.

Together, let us build a legacy of learning that future generations will be proud of.

**MS. CHANDRAKALA SAHANI**  
DIRECTOR

## FROM THE PRINCIPAL'S DESK

Dhwani, the Voice of SMIS - our Very first school newsletter. It is a humble beginning to what we hope will become a meaningful tradition of sharing, reflection, and celebration. As we open our doors to a new academic expedition, it is important to pause and reflect on the dream that brought St. Mary's International School, Anand Nagar, into being. As we begin this academic journey together, it's important to revisit the dream that inspired the founding of St. Mary's International School.

This school was born from a sincere dream—to create a learning space where education goes beyond textbooks, and where every child is encouraged to think, grow, and become a kind, capable individual. This vision drives us to focus not just on academics, but on the full development of each student.

We are committed to nurturing responsible, confident, and compassionate individuals—global citizens grounded in Indian values and equipped to thrive in a changing world. Our mission is to offer quality education that blends academic strength with character building, curiosity, and creativity.

With dedicated teachers, a rich curriculum, and strong support from our parent community, we are excited to guide each child toward realizing their true potential. Thank you for trusting us as we begin this journey. Together, we will build not just a school, but a community of learning and growth.

## MESSAGE FROM THE ADVISOR

*Dear Parents and Students,*

As the Academic Advisor, I'm delighted to share the progress we've made in enhancing our educational offerings. In our pursuit of excellence, we're introducing a new curriculum for the 2025-26 academic year, focusing on skill development and aligning with the National Education Policy (NEP) and National Curriculum Framework (NCF).

### **Building on Success**

We're building on the foundation laid in the 2024-25 academic year, where we successfully introduced diagnostic assessments. These assessments have enabled us to identify areas where students need support, allowing us to plan targeted remedial interventions.

### **Looking Ahead**

The new curriculum for 2025-26 promises to take our students to the next level:

- Skill Development: Equipping students with essential skills for the 21st century.
- Holistic Education: Nurturing academic excellence, creativity, and critical thinking.
- Teacher Upskilling: Enhancing teacher capabilities to deliver the new curriculum effectively.

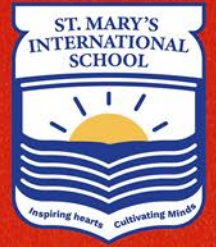

### **Our Commitment**

We're committed to providing a world-class education that prepares our students for life's challenges. Stay tuned for more updates on our progress!

*Let us jointly take the children towards a better future.*

## एक छोटी सी चिंगारी

आज़ादी से पहले का भारत एक कोने में दुबका पड़ा था, भारत माँ के वीर सपूतों ने, अपनी बलबूते खड़ा किया था।  
कभी सोने की चिड़िया कहलाता, कभी उगाता सोना था, पर अंग्रेज़ों को तो हिन्दू-मुस्लिम का काँटा बोना था।

यूनानियों व मुग़लों ने लूटा भारत को बारी-बारी से, पर हमने भी... पर हमने भी  
चाँद के दक्षिणी ध्रुव पर आग लगा दी — एक छोटी सी चिंगारी से।

अरे! तुम्हारी तो फ़ितरत ही थी... अरे! तुम्हारी तो फ़ितरत ही थी — लूटना, हमको बारी-बारी से।

लोकतंत्र हमने सिखलाया, दुनिया को बारी-बारी से।  
शुरुआत हमने भी की थी, शुरू की थी एक छोटी सी बैलवाड़ी से।  
अब दुनिया हम घुमाएँगे — वंदे भारत रेलगाड़ी से।
